

J KUPENDRA REDDY

Aspiring Software Engineer

📞 7671943173 @ kupendrareddy124@gail.com 📍 127 Chittoor ,V Kota

SUMMARY

I am a motivated and self-driven Computer Science student specializing in AI & Machine Learning. With a strong foundation in Python, Java, and Data Structures, I am passionate about problem-solving and building real-world applications. I am currently seeking an entry-level software engineering role to effectively apply my technical skills and continue my professional growth

EXPERIENCE

Python Intern

Internship

📅 09/2023 - 10/2023

Internship role focused on Python development

- Worked on Python programming and basic application development
- Improved problem-solving and coding skills
- Developed small projects using Python
- Gained knowledge of data handling and logic building

EDUCATION

B.Tech in Computer Science Engineering (AI & ML)

Siddharth Institute of Engineering and Technology

📅 08/2023 - 05/2027 📍 Puttur
